

# Speech Writing - Millie's Speech

My name is Millie and there are three major reasons why I am wanting to be one of your new School Leaders for 2016. I've even made some helpful signs to remind you of these three reasons. There will be three lucky people who will help me along the way, and they will hold onto these posters that I will hand out to them. They are....

- I can help teachers and students. (Show POSTER) (1st Person)
- I can speak confidently and fluently. (Show POSTER) (2nd Person)
- I am a responsible, organised person. (Show POSTER) (3rd Person)

**Look after those signs carefully because you three will come in handy soon.**

## **Lets get back to my first reason, I can help teachers and students.**

I am happy to help teachers and students who need help in any way possible, especially our great Principal Mrs Green and Mrs James. I am very capable of finishing work on time and I will do what is asked of me. I often offer my recess and lunch times to do any jobs. There are many examples, such as when I was on Magazine Committee for the past two years. I often help Mrs Jones along with the other Art Captains to clean up the art room. I can catch up on work quickly if I need to be taken out of class to do my other responsibilities around the school.

## **My second reason, I can speak confidently and fluently.**

I can make speeches without any notes and I've had many experiences talking confidently and fluently in front of a large group of people. This shows you all that talking in front of people doesn't make me nervous. You may not know I presented an Explain Everything to the School Council, they were a group of adults who were just pretty much strangers to me. I also was chosen to be part of the National History Challenge, where I presented my work on a PowerPoint to a panel of judges and to all of the Eastwood community, family and friends at an assembly.

# **My lucky last reason, I am a responsible, organised person.**

My schoolwork is always finished on time and I catch up if I have had other jobs around the school. I want the best for our school and will help anyone who needs me. I was elected Class Captain for  $\frac{3}{4}$  P 2013, so I know what it's like to be on Junior School Council. I am Art Vice Captain for our Art Teacher, Mrs Jones.

Please take this time to realize that I am the right person for School Captain 2013, and vote for me to be your new School Captain. I am Millie, and to refresh your minds the three major reasons on why I want to be School Captain are...

Wait, before I do anything, like I said before, I chose three lucky volunteers who would help me. Could you please hold them up high above your head and turn them round so that everyone can see them. My three major reasons are:

- I can help teachers and students.
- I can speak confidently and fluently.
- I am a responsible, organised person.

You all got that? I know you do!! Voting for me will make my last year of primary school a big success. But getting this would make a massive difference for me, as my last year at Eastwood is only a few months away.

**PLEASE VOTE FOR ME!**
